

## Board Bio – Jaimes Adlington

---

Jaimes Adlington is a respected and valued member of our Board. He is an Executive Manager of Westpac Banking Corporation. With 25 years experience at Westpac, he has held roles in both retail and commercial banking. For the past 12 years his work has focused on the Internal Audit function where he is currently overseeing the bank's Credit Risk portfolio.

He is a qualified Chartered Accountant (CA) and also holds a Bachelor of Commerce (Wollongong University) and Diploma of Financial Planning.

Jaimes completed a 6-week volunteer work placement with Tranby in 2013 facilitated by the Jawun Indigenous Corporate Partnerships program. He contributed to the improvement of the financial and risk management aspects of our organisation's operations. Throughout his time with Tranby he developed a strong interest in the ongoing success of Tranby and the work it performs in the indigenous community.

We were delighted when Jaimes expressed a desire to stay connected and now wishes to continue to influence educational outcomes by remaining on the Co-operative board for a second term.
